

VICTORIA, BC - 18 August 2023 - OA Solutions is proud to announce that Warren Stokes has joined the Consulting Services team in support of the company's Ellucian ERP clients across Canada and the United States.

Prior to joining OA Solutions, Warren was the Registrar at Northern Lights College and Associate Registrar at Kwantlen Polytechnic University.

"We are excited to welcome Warren to our Consulting Services Team", said Jill Pimlott, VP Consulting Services at OA Solutions. "Warren's experience and skill sets are a great fit for our team. We are confident his expertise will greatly increase our resourcing capabilities."

With over 20 years of experience in the registrarial field, and a career of over 30 years in the post-secondary sector, Warren has managed as a registrar, served as a member of the Leadership team, performed as a trusted advisor to executive, and served as a business and data analyst, information manager, educator, application developer, and support staff. Warren has also held a broad spectrum of roles in the public, private, labour, and non-profit sectors.

Warren holds a Master's degree in Public Administration; a Bachelor's degree in Adult Education; Leadership, Business Administration and Provincial Instructors diplomas; along with a certificate in Micro-Computer Electronics. Warren has also received training in Leadership Development, Freedom of Information, and Mental Health First Aid.

A welcome addition to the OA team, Warren is keen to share his knowledge and assist in the development and expansion of the company's Consulting Services Practice. With extensive experience in the post-secondary industry, Warren is familiar with the Canadian post-secondary landscape. Our clients can be assured that they now have another valuable resource to access from OA Solutions.

About OA Solutions

OA has provided implementation, training, and consulting services to over 80 institutions across North America. Our consultants' superior knowledge of the Ellucian® applications in conjunction with their experience and understanding of business practices employed at post-secondary education institutions, enables OA to provide the services needed for institutions to gain maximum benefit from their investment in these systems and gain the efficiencies needed to ensure their services to students are second to none.
