

Ellucian® Partner Agreement - Announcement

VICTORIA, BC - 17 April 2020 - OA Solutions is proud to announce the signing of a Partner Agreement with Ellucian®. As an Ellucian Silver Partner, OA extends its relationship with Ellucian® that began with their predecessor company, Datatel in 1998.

For over 20 years, OA has assisted post-secondary institutions to analyze their business processes; recommend changes; and protect their investment of their Ellucian® Enterprise Resource Planning (ERP) systems.

OA has provided implementation, training and consulting services to over 80 institutions across North America. Our consultants' superior knowledge of the Ellucian® applications in conjunction with their experience and understanding of business practices employed at post-secondary education institutions, enables OA to provide the services needed for institutions to gain maximum benefit from their investment in these systems and gain the efficiencies needed to ensure their services to students are second to none.

OA is excited to have the opportunity to expand its relationship with Ellucian®. Together, we will provide innovative solutions that help our higher education clients reach their goals. This partnership is designed to support colleges and universities with complementary software and services that ensure institutions can achieve their missions.
