

# OA Solutions Partners with Prophix Software

VICTORIA, BC - 12 October 2021 - OA Solutions is proud to announce the signing of a partner referral agreement with Prophix Software Inc. As a Prophix partner, OA will have access to financial solutions to help post-secondary institutions transform how they budget, plan and report.

For over 20 years, OA has assisted post-secondary institutions to analyze their business processes; recommend changes; and protect their investment of their Ellucian® Enterprise Resource Planning (ERP) systems.

OA has provided implementation, training, and consulting services to over 80 institutions across North America. Our consultants' superior knowledge of the Ellucian® applications in conjunction with their experience and understanding of business practices employed at post-secondary education institutions, enables OA to provide the services needed for institutions to gain maximum benefit from their investment in these systems and gain the efficiencies needed to ensure their services to students are second to none.

Prophix helps mid-market companies achieve their goals more successfully with innovative, cloud-based Corporate Performance Management (CPM) software. With Prophix, finance leaders improve profitability and minimize risk by automating budgeting, forecasting, and reporting and puts the focus back on what matters most - uncovering business opportunities.

OA is excited to have the opportunity to form a relationship with Prophix. Together, we will provide innovative solutions that help higher education clients reach their goals. This partnership is designed to support colleges and universities with complementary software and services that ensure institutions can achieve their missions.

## **About Prophix**

Prophix® is a global leader in Corporate Performance Management (CPM) software. Prophix® software helps financial professionals reframe their everyday challenges into genuine opportunities. With over 3,000 customers, Prophix® improves profitability and minimizes risk when institutions automate repetitive tasks and focus on what matters.
