

VICTORIA, BC - 15 January 2025 - OA Solutions is proud to announce that Stephanie Gooding has rejoined the OA team as VP Client Services in support of the company's Ellucian ERP clients across Canada and the United States.

Stephanie returns to OA from her most recent engagement where she performed Senior Business Analyst and Project Manager services for the University of British Columbia on its Integrated Renewal Project (Student).

"We are excited to welcome Stephanie to our Executive Team", said Yi Liang, President, and CEO at OA Solutions. "Stephanie's experience and skill sets are a great fit for our team. We are confident her expertise will greatly increase our ability in becoming a true, client-centric organization."

With nearly 20 year's experience in Student Services and Enrolment Services, Stephanie has the ideal qualifications to lead OA's Client Services team. In addition, to her role at UBC, Stephanie has held the following positions: Associate Registrar Admissions and Systems, Justice Institute of B.C; Business and Policy Analyst, Simon Fraser University; Admissions and Advising Officer, Capilano University; and Assistant to the Registrar, Capilano College/University.

Stephanie holds a Bachelor's degree in business administration, and a Master's degree in Education focusing on Post-Secondary Leadership; Stephanie also holds a Project Management Professional (PMP) certification from the Project Management Institute (PMI).

A welcome addition to the OA team, Stephanie is keen to share her knowledge and assist in the development and expansion of the company's services to colleges and universities throughout North America. With extensive experience in the post-secondary industry, Stephanie is familiar with the Canadian post-secondary landscape. Our clients can be assured that they now have another valuable resource to access from OA Solutions.

### ***About OA Solutions***

OA Solutions, a proud British Columbia company, has provided implementation, training, and consulting services to over 80 institutions across North America. Our consultants' superior knowledge of the Ellucian® applications in conjunction with their experience and understanding of business practices employed at post-secondary education institutions, enables OA to provide the services needed for institutions to gain maximum benefit from their investment in these systems and gain the efficiencies needed to ensure their services to students are second to none.
