

VICTORIA, BC - 13 February 2025 - OA Solutions is proud to announce the signing of Letter of Intent for a Strategic Partnership Agreement with Abstractive Technology Consulting Ltd.

For over 20 years, OA has assisted post-secondary institutions to analyze their business processes; recommend changes; and protect their investment of their Ellucian® Enterprise Resource Planning (ERP) systems.

“OA is excited to be entering into this strategic partnership with Abstractive” says Mr. Yi Liang, President, and CEO of OA Solutions. “Our in-depth knowledge and understanding of the Canadian post-secondary market, combined with Abstractive’s extensive knowledge and experience in advanced technological solutions, will provide our diverse set of colleges and universities the ability to plan and develop critical business solutions employing AI strategies and other advanced technologies.”

“We are thrilled to work alongside OA Solutions,” said Matthew Chao, CEO of Abstractive Technology Consulting. “By combining our industry-leading software development, cloud services, and IT infrastructure capabilities with OA Solutions’ in-depth industry experience, we can provide post-secondary institutions with the tools and strategies they need to transform their businesses and drive real-world results, and benefit from an integrated offering of technology consulting, cloud migration, software development, and digital transformation.”
